## Sports Broadcaster

Dylan has over seven years of experience broadcasting various sports. From Division I Hockey to the Cape Cod Baseball League, there is nothing he won't do. He has a love for the broadcasting industry, going back to listening to WFAN Sports Radio as a kid. Hockey is the first sport he called play-by-play for, falling in love with it on that very day. Other than broadcasting, he has experience in media relations and creating social media content.

## Experience

### Communications and Media Relations Assistant

Texas Stars Hockey Club | Cedar Park, TX

#### September 2025 - Present

- Worked on game notes and other stat based documents that were provided to opposing teams' media teams and fans around our arena. In addition to writing our game recap, which was sent out in a newsletter to over 130 fans after each game.
- Created feature articles that were presented in audio and written form that aired on our AHL TV broadcast and were posted on team social media channels.
- Arranged the press box and suites with certain stat packs, assigned seating for scouts and local media, and distributed live stats after each period.

### Play-by-Play Broadcaster

Orleans Firebirds, Cape Cod Baseball League | Orleans, MA

#### 2022-2023

- Broadcasted 90+ games over two summers with the Firebirds. While keeping track of team statistics and trends as the season went along. Prepared meticulously for every game using Microsoft OneNote.
- Created relationships with players and coaches that allowed myself to find new and inspiring stories every single day.
- Collected audio from team and coaches for broadcast content that aired on pregame and postgame shows.

### Play-by-Play Broadcaster

Arizona State Sun Devils Division I Hockey Team | Tempe, AZ

#### 2021-2025

- Called over 100 games over three seasons through Pac-12 Networks and Arizona State student radio KASC - Blaze Radio.
- Created and kept strong relationships with players and coaches to find new and exciting storylines. Learned more about the intricacies of the sport from the coaches, which aided a stronger and more informed broadcast.
- Created written content about different players and staff that was published on university pages and social media channels.

### Strategic Marketing Specialist

Cronkite Agency | Phoenix, AZ

#### 2023 - 2025

- Worked in conjunction with the Sun Devil Athletics media relations team to produce feature stories on ASU athletes that were posted on the university's website.
- Worked with the Arizona Interscholastic Association to create a new social media campaign to bring more fans to their most significant sporting events. Created social media videos of arizona athletes telling fans to attend more games.
- Created media advisories and secured media packages from local FOX and Telemundo stations that aired on their news shows.
